

Chevrolet Kodiak 7500

Chevrolet® Kodiak™ - C7500 is a reliable, durable and easy-to-drive truck with the power and versatility to work hard for your bottom line.

The Kodiak delivers a quiet ride and impressive maneuverability with up to a 53-degree 'wheel-cut' for tight turns in urban areas. It has a big windshield with sloped hood - for great visibility. This truck is built to help reduce cost of ownership expenses with easy maintenance and service.

Here are some basic features:

- 25,950- to 33,000-lbs G.V.W.R.
- 22-inch wheels & tires
- 7.8-Liter Duramax, 215-H.P. engine
- Allison 2200 HS automatic transmission
- 160-Amp alternator
- 50- and 25-Gallon diesel fuel tanks
- Hydraulic brake / rear air-ride
- 22-foot load space

For more information on this truck chassis contact an LDV Mobile Tool Store Sales Specialist at (800) 558-5986
