

Chevrolet Kodiak 5500

Chevrolet® Kodiak™ - C5500 is a reliable, durable and easy-to-drive truck with the power and versatility to work hard for your bottom line.

This chassis delivers a quiet ride and impressive maneuverability with up to a 53-degree wheel-cut - for tight turns in urban areas. Like its big brother, the C7500, the C5500 has a big windshield with sloped hood - for great visibility. This truck is built to help reduce cost of ownership expenses with easy maintenance and service.

Here are some basic features:
