Tech Supply Center

ENTICE... with XLerator

Increase replacement parts sales with LDV's XLERATOR Tech Supply Center.

The XLERATOR Tech Supply Center (PN #68160039) is designed to organize and merchandise the products that your customers need every day. Mounted on the rear door, this display will draw customers to the back of your Mobile Tool Store allowing them to see your entire tool selection.

This powder-coated aluminum display attaches quickly and easily. Apply the Tech Supply Center graphic (PN #63010067) to your door and this display will really catch your customer's attention.

The five shelves hold plenty of product lines and available shelf graphics (PN #63010068) provide immediate direction for customers to locate what they need.

For more information on the XLERATOR Tech Supply Center contact LDV at 1-800-558-5986.
